Features and Specifications

The Lockwood Stainless Steel Door Furniture range offers a selection of stylish and durable investment cast and tubular stainless steel levers on round rose.

Application

Suitable for use in commercial and residential buildings. Designed and manufactured for use with Lockwood Euro Profile Mortice Lock Series and standard tubular latches

Product Range

Select from any of these 19 levers to complement the décor in your residential or commercial building. All Leversets come complete with two euro cylinder escutcheons.

Strength & Durability

Made to the highest quality levels, these levers satisfy Australian Standard requirements for strength and durability.

Door Thickness

- 33mm minimum for standard tubular latch.
- 35mm minimum for Lockwood Euro Profile Mortice Lock Series.
- Maximum door thickness 50mm.

Fixing

Roses are designed to fit back to back and fixings are concealed by the use of a slip on outer rose.

Rose Dimensions

54mm diameter x 8mm

Material

304 stainless steel

Standard Finishes

Satin Stainless Steel SSS

Anti-Corrosion

Lockwood Stainless Steel Door Furniture range has been tested for corrosion resistance in accordance with AS 2331.3.1 Neutral Salt Spray Test.

Specification Service

For all Architectural hardware specification assistance refers to your local ASSA ABLOY Sales Office.

A fully comprehensive, obligation free, Architectural Door Hardware specification can be prepared by Architectural Hardware Representatives.

Cleaning

Care should be taken during construction/ refurbishment to ensure that paint, thinners, mortar or cement splashes are carefully removed from locks, furniture and hardware. Removal of these splashes with strong cleaning agents or scourers should be avoided.

Dirt and grime should be regularly removed with a soft damp cloth. A solution of mild soap and water may be required. During cleaning, care should be taken to prevent cleaning solution from entering the cylinder keyway. Surfaces should be dried and possibly lubricated.

Disclaimer

Whilst every effort has been made to ensure that the information contained in this catalogue is accurate at the time of publication, Lockwood recommends that you consult Lockwood or its agents prior to placing an order to ascertain current information on specific products, as Lockwood reserves the right to make changes without notice. Lockwood will not be liable for any injury, loss or damage whatsoever, arising from any errors or omissions in the information contained in the catalogue or arising from the use or application of the information contained herein.
